Dear Liza

Please be informed that the Dependent Pass (DP) approval has been granted. Please explain why the applicant have to purchase a return ticket and incur additional cost for unnecessary travel.

Separately, as you are aware, an Sri Lanka national is required to apply for a visa prior to their entry in the country. As such, the applicant will need to apply for a Single Entry Visa (SEV) before she can re-enter the country. A Social Visit Pass (SVP) will only be granted upon her arrival here in the country.

To avoid the applicant having to incur additional cost (return flight ticket, Journey Performed feed) we hope you can reconsider on issuing the amendment approval letter with the visa with reference to ease the completion of this DP application.

We look forward to hearing from you. For any queries / clarifications, please feel free to contact us.

Best regards
Najwa

Dear Irma,

Sorry to inform that the amendment of approval letter is not possible now as the endorsement has been initiated. The status now is 'Documents In Endorsement' stage. Hence, the applicant has to apply social visit pass for her to enter Malaysia. Please be reminded that the applicant entering Malaysia under social visit pass must have a return ticket.

Thank you.
